

Spare Parts Price List Assembly Technology

Valid from January 1, 2017

Order type:	Binding in written form
Technical information:	<p>HM Germany +49 (7 11) 8 11 - 78 55: DC-IA/SVI2-Fe – Mr. Zaruba</p> <p>Direct customers, HM Foreign countries, RB Foreign Countries +49 (7 11) 8 11 - 78 56: DC-IA/SVI2-Fe – Ms. Birkel</p> <p>HM Foreign countries, RB Germany +49 (7 11) 8 11 - 78 61: DC-IA/SVI2-Fe – Mr. Albrecht</p>
Fax orders:	+49 (7 11) 8 11 - 78 51
Minimum order quantity:	<p>Corresponds to a value of EUR 100.00 With smaller orders, we charge a handling fee of EUR 30.00</p>
Pricing and delivery conditions:	<p>The specified prices are recommended retail prices. Prices are net, per indicated unit, plus the VAT applicable on the day of invoicing, ex works, including packaging. Costs for assembly and commissioning at your premises are not included.</p> <p>All deliveries of devices and parts from this price list are subject to the latest version of the “General Terms and Conditions for Deliveries and Services from Bosch Rexroth AG”.</p>
Payment conditions:	<p>Within 14 days with 2 % cash discount, 30 days net. Subject to technical changes and errors.</p>
Disposal of old electrical devices:	<p>By purchasing products from Bosch Rexroth Assembly Technology, the customer is obligated to properly dispose of the delivered goods after use at its own cost and in accordance with the applicable legal regulations. The customer absolves the supplier of any obligations in accordance with §10 para. 2 of the Electrical and Electronic Equipment Act (Producer Obligation to Take Back) and the associated claims of third parties. If the customer does not contractually obligate third parties who have been supplied with the goods to take over the disposal obligation and impose the same obligation on other parties, the customer is obligated take back and properly dispose of the delivered goods after use at its own cost and in accordance with the applicable legal regulations.</p>

Overview of assembly technology delivery range

Basic mechanic elements

Modular units for low-cost setup of work tables, machine frames, safety equipment, shelves and enclosures, etc.: system profiles, linear guides, connection elements and accessories.

Workstation equipment

Modular units for designing workstations: work tables, swivel work chairs, grab containers, case lifters, lights and accessories.

Transfer systems

Modular units for setting up transfer systems using belts, accumulation roller chains and flat top chains and for chain conveyor systems (VarioFlow).
